Surveying Road

Engineers are busy on the job of making survey of the new road from Clay City to the Wolfe county line. The survey from Clay City to Stanton is being made on the south side of the river by Turkey Knob. The choosing of this side of the river will be very disappointing to the good people living along the old road. While it is not definitely decided that the road will be finally located on the south side of the river, it looks that way now, and the state authorities are very anxious to avoid bridges and high water wherever reasonably possible.

After Dog Tax Dodgers

Judge Shackelford urged the Grand Jury to indict all owners or harborers of dogs who had not procured license. The Judge thought it would be better for our people to have sheep roaming over hills rather than dogs, but as we had the dogs we must pay the tax of \$1.00 or \$2.00 each. The tax on sheep is not so much, but we prefer the dog.

Discharged From Army

Willie Crabtree returned home Saturday night, having been discharged from the national army after twelve months training. While under the draft age Willie tried to enlist in Uncle Sam's service but was turned down. After the war he was accepted.

Sermons Well Received at Christian Church

Elder H. S. Early, of Richmond, occupied the stand at the Christian church Sunday morning and at night, delivering two very interesting sermons. Full houses greeted him both morning and evening.

Moving Picture Show Here

Some fellows from Lexington gave a moving picture show at the school house Saturday night. The crowd was not what it would have been had the price been popular. Paying 35 cents for a moving picture show is a little high.

E. C. Kimbrell Kills Man

E. C. Kimbrell, Police Judge Salt Lick, former resident of Clay City, last week shot and killed Ed Baily, merchant of that town. Judge Kimbrell, at examining trial, was held without bail.

Police Court Busy

The Police Court is quite busy these days. Marshal Brandenburg is also not enjoying all leisure. But that's what we have officers for—to enforce the law. Squire Sewell also showed a good report to the grand jury.

W. E. Armour Buys Studebaker

W. E. Armour purchased last week in Winchester a fine Studebaker touring car. The Studebaker is becoming a very popular machine and gives good service.

Fiddlers' Contest

An old fashioned fiddlers' contest will be held at the Court House at Stanton, Ky., Saturday night, April 24th, under the auspices of American Legion, post No. 127. The following prizes will be offered: Best Fiddler, 1st prize, \$10; Best Fiddler, 2nd prize, \$5; Oldest Fiddler \$5; Youngest Fiddler \$3; Oldest Fiddle Played \$2.

All who desire to enter this contest will please get in communication with me at once, in order that the programs may be printed as soon as possible.

Chas. M. Crowe, Adjutant.

Fred Blackburn Takes to the Road

Fred R. Blackburn, of the Winchester Dry Goods Company of which he is one of the main stockholders, has taken to the road as traveler for his company, and was at Stanton Tuesday and in Clay City Wednesday. Fred's health has not been so good lately, but his traveling has so helped him that he has picked up twenty pounds since starting out.

Much Fruit Probably Killed

The coldest weather for a month came upon us Monday night when the ground froze and ice formed on small pools of water. This freeze, quite likely, has killed much of our fruit. The general opinion, however, is that only a part of it is killed any way.

Shale People Still Working

The shale people are still working several men and teams doing grade work, getting ready for the foundation of their new plant. We may expect something real to be doing over there in thirty days, they tell us.

Fiscal Court to Meet

The Powell Fiscal court will meet at the April stated meeting at Stanton next Tuesday for the transaction of regular business, particularly for the semi-annual allowance of claims.

Mrs. Mauppin Ill

Mrs. Jas. P. Mauppin is very ill at her home in the western portion of this city. The many friends of Mrs. Mauppin are very much concerned as to her serious condition.

Daniel Gets Damages

O. L. Daniel was given a judgment in the Powell Circuit court Tuesday against the L. & N. Railroad for \$82 for the killing of a cow in this city last October.

To Preach on Hardwick's Creek

The Revs. Sherman Robbins and S. V. Larison will preach Sunday morning at the Vaughn's Mill Christian church.

Court Busy

Circuit Court has been very busy at Stanton this week disposing of many civil actions.

Coleman Hall is improving his place across the river by building thereon a splendid stock barn.

Chautauqua Planning Ahead

The Southern Chautauqua people who will be with Clay City folk this season are already planning ahead for a first-class high-toned entertainment of five days, the date to be announced later. This educational and amusing feature should be partonized by all as home people are to back it and finance it if the public fails. Make ready to do your best to make this entertainment a success so we can have something instructive with us each succeeding season.

Berry Case Dismissed

The condemnation proceedings against B. F. Berry for gravel pit came to a close Wednesday morning when the whole proceedings were dismissed in Circuit court. Berry was prosecuting an appeal from the County court which awarded him fifty dollars for gravel and the right of way to and from it. The county has hauled quite a deal of the gravel already and will probably need no more from this pit.

Campton Lawyers at Stanton

G. B. Stamper, Grover Cleveland Allen and Lebert Allen, three leading practitioners, of Campton, were in attendance of Circuit court at Stanton Tuesday. These gentlemen said there positively was no inclination for the Democrats of their county to put up a candidate for Representative, in so much that they furnished the nominee two years ago, when Powell laid by and gave their boys a clear field.

Getting up in Life

The Powell Circuit court is getting very modern indeed. There are a dozen or more divorce cases pending for action at this term of court, and one of the parties is said to be married, or such is part of the proof of one of the contending parties. When you think of it, so many divorce suits for so small populated county, it is a bad record. It is doubtful if a county in the state can surpass it for its population.

"All Fools Day"

Tomorrow, April 1st, will be what is designated as "All Fools Day." It is also collection day for all lines of business the day statements—duns are mailed to those in arrears, and the day bills are rendered by all modern business men. Thus in one way with many the first day of every month is Fools Day.

To Build Residence at Stanton

D. R. Clark was down from Stanton yesterday morning and took back Nelson Blount with him to build a new residence. Mr. Clark said the house must be completed within thirty days. Mr. Clark will find out that Mr. Blount can do his part of the work in the allotted time.

"In a very short while after I began the Cardui Home Treatment I saw an improvement and it wasn't long until I was all right—good appetite, splendid rest, and much stronger so that I easily did my house work.

"Later I took a bottle of Cardui as a tonic, I can recommend Cardui and gladly do so, for if more women knew, it would save a great deal of worry and sickness."

The enthusiastic praise of thousands of other women who have found Cardui helpful should convince you that it is worth trying. All druggists sell it.

Feet Drag?

When it is an effort to drag one foot after the other, when you are always tired and seem lacking in strength and endurance, when aches and pains rack the body, it is well to look for symptoms of kidney trouble.

Foley Kidney Pills

banish effects of kidney and bladder trouble by removing the cause. They are healing and curative. They tone up and strengthen the weakened or diseased organs. They relieve backache, rheumatic pains, stiff joints, sore muscles.

W. W. Wells, Tonquin, Mich., writes: "I get great relief from taking Foley Kidney Pills. I am on my feet most of the time and get tired now. By taking Foley Kidney Pills, they make me feel like a new man. I recommend them to my customers and never have heard of any case where they did not give satisfaction."

GENET

Church at Chop Chestnut Sunday was well attended.

V. C. Martin returned last Friday from an extended visit to Rosslyn, Stanton, Nada, Campion Junction and other points. Mr. Martin reports a nice time.

Mr. B. F. Hatton, of Bowen, is being strongly urged by his many friends to make the race for Justice of Peace of the Bowen-Rogers Chapel district. Mr. Hatton is most worthy and well qualified to full fill the duties of this office. He possesses the courage, will power and judgment to enforce the law to every jot and tittle. Mr. Hatton was formerly magistrate of this district and therefore he needs no further introduction as his records show that he made one of the best magistrates that Powell county ever had. If he makes the race, the voters of these two precincts should give him due consideration.

He Was in Bad Shape

Any person who is suffering with rheumatic twinges, backache, soreness, lameness or other symptoms of kidney trouble can profit if he wishes from this: "My kidneys were in such bad shape that I could hardly stoop down. Foley Kidney Pills made me all right. Samuel Holt, Greenville, Pa."—Sherman Robbins & Sons local agents.
